If answered YES, please summarize rollout or study & indicate partners (including governments, NGOs etc.) – maximum 1250 characters

### FINAL NARATIVE PROPOSAL

Executive Summary – maximum 4000 characters Please include an introduction, purpose of the project, and summary of results.

Performance Evaluation Metrics – maximum 4000 characters

These should discuss metrics for evaluation of success provided in original "Appendix B - Project Summary Framework", and include: status, comment and findings for each metric identified.

#### Conclusion and Next Steps – maximum 4000 characters

Please include: a list of publication(s) if applicable; any plans for further study as well as funding sources for next phase (if applicable); new procedures or practices (innovation) in health care delivery compared to current practice as a result of the funded project; how the project supports leadership in the dissemination of knowledge across the healthcare system; and how the delivery of health care has or will be improved.
