
2018 NOAMA Clinical Innovation Opportunities Fund CALL FOR PROJECT PROPOSALS

**DUE DATE FOR SUBMISSIONS:
SUNDAY, FEBRUARY 4, 2018 at 23:59 hours**

Do you have a potential change or enhancement in your clinical practice that will positively impact patient care?

The NOAMA Board is pleased to announce a call for proposals for the Clinical Innovation Opportunities Fund. This grant funding opportunity is separate and distinct from the existing AHSC AFP Innovation Funds.

Background Information:

The intent of the Clinical Innovation Opportunities Fund is to support **physician clinical faculty** in the development and implementation of new evidence based enhancements within their clinical practices which positively impact direct patient care.

Northern physicians are committed to patient care. This Clinical Innovation Opportunities Funding provides you with the opportunity to further explore and implement changes which can ultimately be shared.

Grant Information:

From 2013 to 2017 several of your Northern Ontario colleagues applied for Clinical Innovation Opportunities Funding. To date NOAMA has approved 113 projects allocating \$5.3 million in funding. For a complete list of funded projects, please click [here](#).

Information on how to apply for Clinical Innovation Opportunities Funding is available in the **Clinical Innovation Opportunities Fund** section of the NOAMA website at <http://www.noama.ca/site/clinical-innovation-fund/>
