

# MERLIN

MEDICAL EDUCATION RESEARCH LAB IN THE NORTH

## Who are We?

The Medical Education Research Lab in the North (MERLIN) seeks to promote medical education research and innovation in Northern Ontario. MERLIN creates opportunities for learning and dialogue around promising and emerging evidence-based practices in medical education, health professional education, as well as provide peer support to those engaging in research.

The MERLIN Team: Hafsa Siddiqui, Ghislaine Pilot-Attema, Brianne Wood, Devon Lee, Holly Fleming, Erin Cameron

## Quick Facts

- Founded in 2018; a "living" lab across Northern Ontario
- It currently supports 15 externally and internally funded projects
- MERLIN staff include: Postdoc Fellow, Research Assistants (3)
