

Faculty Development Lottery Policy

Last approved:	NOAMA Board	June 24, 2025
----------------	-------------	---------------

Background

A NOAMA-funded faculty development initiative to support clinical faculty pursuing leadership training, advanced degrees, and educational scholarship.

Process

The NOAMA Board will review and determine if the funding is available for the Faculty Development Lottery. If approved, NOAMA will distribute a call to all PCTA members. Applications will be chosen at random, using the ballot system below, by NOAMA Administration. NOAMA administration will then reach out to all applicants notifying them whether they were successful. Deadlines are established and will be made clear to PCTA members.

Number of Ballots	Criteria
5	Applicants who have not been successful
2	Applicants who were successful once
1	Applicants who were successful two or more times

Funding

\$30,000 will be allocated to this initiative for the current fiscal year. 10 PCTA members would be randomly selected to receive up to \$3,000 each.

Reimbursement Requirements for Successful Recipients

Applicants who are successful must complete the course within the NOAMA fiscal year (April 1 – March 31) in which they are successful. They must submit the following documents to noama@noama.ca within 2 months after NOAMA's year end (May 31).

- Receipts for reimbursement
 - Travel must follow OMA Guidelines and be the most efficient option
- Course-related documentation:
 - Certificate of completion or equivalent proof
 - **Summary** of key learnings

Deadlines

NOAMA will not grant extensions on any of the above reporting requirements.
