

A white plastic bottle is tipped over, spilling numerous white, oval-shaped pills onto a light blue surface. The pills are scattered across the foreground, while the bottle is in the upper left corner. The background is a solid, light blue color.

NOSM Developed Educational Program

Northern Ontario
School of Medicine
École de médecine
du Nord de l'Ontario
ᐱᓄᑦᑕᑦᑭᑦ ᐃᓄᑦᑕᑦᑭᑦ
Lⁿᐱᓄᑦ ᐃ ᐃᓄᑦᑕᑦᑭᑦ

Why?

- National opioid crisis
 - Northern Ontario
 - highest rate opioid related deaths
 - highest rate of opioid prescriptions
- 

Northern Ontario faces unique challenges.

About the Program...

Online learning module

- Self-directed, interactive
 - Incorporates case-based learning
 - Up to 2 hours
 - Accredited
- 
- A small, stylized illustration of a laptop screen is positioned in the bottom right corner of the slide. The screen is light blue, and the laptop frame is a thin grey line.

Online Learning Module

Information and resources
to enhance competencies
in assessment and
management

Promotes self-reflection on
prescribing habits to
encourage positive
practice changes
