# EXPERT PANEL

# ON INDIGENOUS RELATIONS

- 4 faculty members with combined clinical, medical education and research, Indigenous and non-Indigenous backgrounds.
- Provide advice on the relations, structures and policies that exist between NOSM and Indigenous Peoples.
- Goal of review was to build on NOSM's strengths as a medical school founded on the principles of social accountability and community engagement, and to ensure strategies, processes and structures are developed to deepen the relationships between NOSM and Indigenous Peoples upon a strong foundation of trust and respect.
